# Cromwell *bedroom*

Designed exclusively for TCH, Cromwell Bedroom features a combination of subtle pastel paint finishes and Oak, complimented by the soft curves and profiles which evoke a traditional French style. Yet the combination of the colour Oak and bright chrome plated hardware gives it a fresh look that suits both modern and country living.

Each piece is individually made from a combination of Oak and Oak veneers also modern wood materials.

Unique to TCH the manufacturing process actually starts with the slicing of the logs to kiln drying and then through the whole manufacturing process, all within the factories control.

Other details such as secret drawer behind the top profile gives this range a unique character and quality that has become the standard for TCH.
